The Previous 29 tours were brilliant, join us on the 30th tour and make that brilliant too!

The Basic Concept

To have the opportunity to visit and experience a foreign culture, compete in the New Zealand Summer Tennis circuit with the opportunity to foster and develop life lasting friendships.

The Function of "Kanga"

Kanga Tennis Tours International selects suitable Tennis Tournaments, accommodation and methods of transportation in New Zealand. Whilst in Australia, the travellers are being prepared for the visit through meetings and literature.

The Group Directors Function

A unique feature of Kanga Tennis Tours International is the experienced personnel, with a strong background in Tennis, who are employed to organise and manage these tours. Directors are selected from the interested, well qualified, successful Tennis Coaching Professionals. They assume a great responsibility, with many facets of the trip to co-ordinate. They are responsible for selecting and preparing the group for overseas travel whilst in Australia. In addition to this, they become the 'communication centre' for the group whilst overseas.

The Necessary Qualifications for the Traveller

The ages of the traveller may vary from approximately 9-19 years of age, but any young adult may be considered. Travellers should have an adaptable, friendly personality, with an emotionally stable disposition. They must be prepared to be flexible and adjust to a different culture as well as displaying a co-operative and responsible attitude toward the group director.

Supervising the Travellers

The State & Group Directors

The travellers are under the charge of the Directors or anybody designated by these people for the entire duration of the trip.

Getting Involved in "Kanga"

Interested parents and youngsters are asked to attend an Orientation meeting. Here, the trip is explained in greater detail and any questions answered. A deposit of $500.00 can be made at this meeting as a means of securing a position on the trip.

Expectations of the Traveller

The Travellers are expected to be flexible and adaptable. Although this is a Tennis Tour, there will be cultural differences such as lifestyle, food, habits etc. and these are to be expected and well-tolerated. A little homesickness is to be expected and the State and Group Directors are always available to help. Travellers are reminded that they are representing their families, their sport and themselves. Their behaviour will be a reflection on their country too.

Rules

1. No drinking or alcoholic beverages
2. No smoking
3. Do not borrow money
4. Show a willingness to obey requests from the State Director, Group Director or Tournament hosts
5. Obey the laws of the country you are visiting

In the unfortunate event of severe misconduct, arrangements may be made to return the offending traveller to his or her parents, with the responsibility of any additional expenses incurred by the parents.

Tennis and the Cultural Concept

Kanga Tennis Tours International aims to strike a good balance between the cultural and the sport aspects of the tour. Restrictions are not generally placed on the ability level of the teams or individuals and every endeavour is made to match the skill level of the group with tournaments and matches organised.

Benefits of your once-in-a-lifetime opportunity

- Enhancement of Tennis opportunities through International Competition
- Development of Life-long friendships through Cultural Interaction
- Maturation enrichment through independent travel experiences

As you can see, the concepts of "Kanga" goes far beyond that of just hitting tennis balls in a foreign country. It's a unique opportunity, regardless of your level of expertise in tennis. A great deal of satisfaction, enjoyment and a sense of fulfillment are obtained by partaking in the program.

Meeting Procedures

At the Orientation Meeting prospective travellers will be given the 'Information Kanga' booklet, if they do not already have one. All aspects will be explained and any questions answered. People wishing to secure a position should forward their $500.00 deposit.

During this meeting, the following will occur:-

- Definite itineraries will be distributed
- Tracksuit and Shirt sizes will be taken
- Doubles pairing
- $500.00 Deposit collected, if this has not already been paid

Meeting 2. This is the final Meeting held approximately 60 days prior to departure.

At this meeting, the following should occur:

- Balance of the trip paid for. (Every effort is made to ensure the price doesn't alter. Things that can effect the price are currency, airfare & land fluctuations)
- Tracksuit, shirt, cap and backpack distributed
- Discussion regarding clothing to pack, spending money, tipping, behaviour etc.

General Information

Team Tracksuits

The tracksuits and shirt are lightweight and easy to care for. This is the team uniform and should be worn at the airports, on air flights, or when directed by the Group Director.

In the Event of Illness or Accident

The Group Leaders treat the participant as one of their own family during the trip, and would call for medical attention as they would for a member of their own family. Every attempt will be made by the Group Leader to contact the parents immediately in the event of a serious medical condition.

Spending Money

It is recommended that the traveller have an appropriate ATM bank card with at least $500.00 AUD as spending money for the following purposes:

- Lunch, Dinner and Snacks
- Additional sightseeing expenses not specified in the itinerary
- Any additional transfers not specified in the itinerary (e.g taxi fares)
